available evidence

On 5-3-18 L.T. Parks and Capt. Hodgson violated the Policy on "force" now J.C.C.C. amended grievance # 18-60 from (1) lie to another First no evidence of excessive force was used.

→ L.T. Parks admitted offender Mr. Ezell requested the camera" upon Capt. Hodgson present offender Ezell requested the camera advising Capt. Hodgson I was not going anywhere with him without the camera, the camera was not available because these J.C.C.C. officers of Oklahoma Department of Correction refused to follow the same Policy Private Prison are required to follow, (O.D.O.C.) must follow

→ J.C.C.C. "Reviewing Authority" attempts to change the first lie from no evidence of excessive force, the evidence of how serious the force was or threats made are moot without video camera hand held, "Spontaneous" use of forces are usually used on offenders that are violently in the act however, the RTHU cameras on 5-3-18 support none of that ever happened for Capt. Hodgson to Spontaneously attack offender Ezell # 237370 on 5-3-18 because he said I'm not going anywhere with you Capt. Hodgson without a "camera" "excessive force require camera to record the events" and to prevent dirty officers from lying, killing offenders, even more (injury) offenders."

the Policy of Max offenders any and all offenders housed in restricted housing" both offenders must be cuffed before door opens; therefore any Force used in RTHU is considered excessive and Policy are set for officers that work under O.D.O.C. the officers were twisting offender arm and risk the injury support (excessive force) So Oklahoma Department of Correction allow prison officials to lie, then lie again to attempt to cover up that the Policy of that camera ~~exist~~ exist. Policy must be followed planned or not. Capt. Hodgson Order L.T. Parks to spray offender pulled the door back close when opened if that not excessive Capt. Hodgson has threaten to harm me.

OP-090124 entitled, "Inmate/Offender Grievance Process" states in part, "The inmate/offender may appeal the reviewing authority's response to the grievance on the following grounds only:"

1. Newly discovered/available evidence not considered by the reviewing authority, relevant to the issue, necessary for a proper decision, and why the evidence was not previously available which if considered may alter the decision. The inmate/offender must clearly state the newly discovered/available evidence.
2. Probable error committed by the reviewing authority in the decision such as would be grounds for reversal. The inmate/offender must clearly state the error committed by the reviewing authority, including the specific section of procedures or statutes not followed by the reviewing authority."

In your grievance appeal, you did check number one and two but did not substantiate your appeal nor did you substantiate your appeal with any authority for an error. As such, there has been nothing offered to the Director which indicates the reviewing authority's response is not proper. Therefore, the reviewing authority's response is affirmed and relief is denied. The inmate/offender will have satisfied the exhaustion of administrative remedies required by 57 O.S. § 564. However, the grievance procedure does not satisfy the additional requirements for exhaustion of administrative remedies required by the Governmental Tort Claims Act, 51 O.S. § 151 et seq.
